

Keep It Rolling

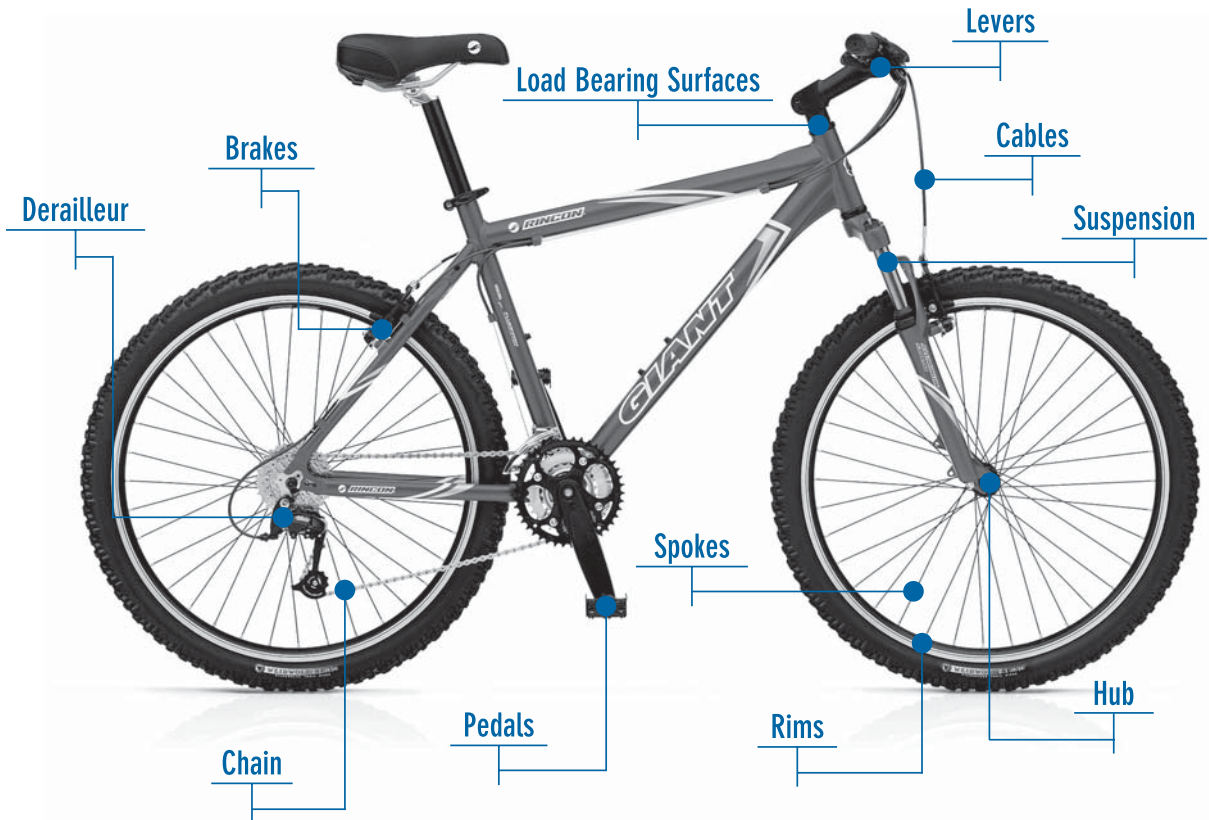

Protection Plan

There's no question, a new bike will bring you years of enjoyment. But sometimes, the unexpected happens and you are faced with the hassle and expense of repairs. That's why we recommend the Keep It Rolling Protection Plan. This plan begins on the date of purchase and provides:

- 100% parts and labor coverage
- Up to 5 years of coverage
- Free transferability to "new" owners

See store associate for plan terms and conditions

The plan covers virtually every part of your bike including drive train, brakes and shifters.*

*See What is Covered and What is Not Covered sections of the Terms & Conditions for complete details.
